Come experience abundant adventure and grace

AT CLEARWATER FOREST

Specialty Conference Week: This week is for campers who love trying new things. Campers will have opportunities to gain hands-on experience areas by taking classes like Photography, Mountain Biking, Hunter Safety, and more!

Environmental Week: This week is for campers who enjoy spending time outdoors and learning about the environment, whether it be learning about wind and engineering in our sailing program or about environmental impacts in our ECO Camps.

Water Week: This week is for campers who can't get enough of the beautiful Clearwater Lake. We plan on spending a great deal of time playing, worshipping, and relaxing in the water.

Classic Week: When we imagine the quintessential week at Clearwater Forest, this is the week that comes to mind. This week is for campers who want the most well-rounded camp experience.

Endless Summer: This week is for campers who love to go out with a bang. From games, to worship, to meals, everything this week is high-energy.

Grands Camp: This program is offered four times throughout the summer, and is geared toward grandparents and their grandchild(ren). Campers will experience games, rest, devotion, worship, and adventure together as a family.
