

Director of Outreach and Programs - Clearwater Forest 2019

****Please Apply by September 15, 2019**

A stunningly beautiful camp and retreat setting on Clearwater Lake in central Minnesota, Clearwater Forest has been changing lives in God's woods and waters since 1954. Clearwater Forest provides programming including summer youth camps, women's retreats, spiritual renewal events, off-season youth retreats, seniors' programs and team building opportunities.

Located on over 1000 acres with 3.5 miles of shoreline, Clearwater Forest was once the home of an iron ore mining entrepreneur, John Savage. Eagle Lodge was built in 1922 as a summer home where his wife and children lived. The two-foot thick stone walls provided safety in severe weather as well as coolness in the heat of summer. A carriage house and gate house remain from the original property. Leaning Tree, about 20 years old, is a hotel-style lodge, that is filled on weekends 80% of the year with retreats, family reunions and other groups. The grounds include a hermitage, several sites for outdoor camping, high ropes and low ropes courses, mountain bike trails, and more.

With a strong, skilled and committed Board of Directors and staff, Clearwater Forest is poised to grow into the future. The goals of the Board include:
