

## overview

A cozy cabin intended for seasonal solo or couple retreats, Woodchuck is located adjacent to Grouse Circle, not far from the bathhouse. It also has an insulated outhouse. Inside the cabin there is a comfy queen sized bed, sitting/dining area, gas stove. and adequate light for reading and writing, day or night. It is also equipped with coffee maker, toaster, hotpot for water and a small refrigerator. Clean water, towels and linens are provided. A screened in porch is surrounded by the variety of trees typical of Clearwater's deep forests.
